

## BATTLE FOR THE LIMELIGHT FAQs

- 1) **Do I need a vehicle to participate in the race?** No, but for the first time we will not disallow the use of a vehicle. However, your full team must check in at each pit stop, otherwise you may end up with penalties on your final score.
- 2) **Is there a cost for the Post Race Party?** The food is included as part of the registration fee. There will also be a cash bar. We welcome guests to our postrace party. If you have company members that you would like to join in the fun at our post-race celebration, we ask that they consider making a donation at the door to go towards their food.
- 3) **Why is the event restricted to 18+?** The nature of certain events and challenges is not suitable for minors. As well, certain locations/pit-stops require an 18+ clientele by law.
- 4) **How long will the race take?** The duration of the race is dependent on the speed of your team, but it has been designed to have a maximum running time of 3 hours.
- 5) **What about weather?** The race will take place rain or shine! Contingencies are in place for less than stellar weather conditions. However, teams will still be required to travel from one location to the next, so dress for the weather! And remember sunscreen – even if it looks cloudy.
- 6) **Do I need to be an athlete to participate?** Absolutely not! We use the term “race” lightly. It’s meant to be fun and taken only as seriously as you decide to take it. There’s plenty of room for competitive spirit, but you don’t need to be a marathon runner to partake. (In fact there will challenges where speediness will not be an asset...)
- 7) **Social Media** At least one member of your team will need a fully charged smart phone for the race to receive clues, hints and make posts to social media throughout the race. (An iPhone is better to communicate with the race organizers, but not necessary). This event has trended on social media across Canada, so be sure to get out there and promote your own company too. Get your donors to follow you on the day of the race. The more you post the more points you may receive.
- 8) **What kind of activities can I expect?** We take the feedback from our participating teams every year, so we continually try to shake things up and make the race a great adventure and a lot of fun. Some challenges might involve food (but no 100 year old eggs, we promise!). And remember, if your team simply cannot do the challenge, there will be buy outs - some challenges will be \$20.00 a team per or \$5.00 per team member– so we advise having cash on hand! There are no penalties for a buy-out.
- 9) **Why is there a registration fee?**  
The registration fee offsets the costs NLT incurs to create and host the event, and actually only covers 50% of our overhead costs to put on Battle.
- 10.) **Help to provide volunteers!** To run smoothly the race needs two volunteers for each pit stop! Last year we recruited over 50 volunteers. Please get the word out amongst your volunteers for this event. Provide NLT with volunteers and receive a SKIP A CHALLENGE PASS for your team to use in the race!
